### MISSION

ACE will educate a diverse group of secondary-aged students with learning challenges who, together with Christ, will learn to live effectively in God's world.

Dear Friend of ACE,

The Achievers' Center for Education (ACE) educates a diverse group of students 5th through 12th grades with learning challenges, which include, but are not limited to: mild cognitive deficits, hearing deficits, high functioning Autism, Asperger's, Dyslexia and Attention Deficit Disorder. The school features a low student-to-teacher ratio and hands-on teaching methods that are producing amazing results. Wonderful things are happening at ACE thanks to the support and generosity of many!

We invite you to consider donating an item to this year's *Denim, Diamonds & Daffodils Gala*, being held on *April 12, 2012* at University UMC on North Campus. The event will feature both silent and live auctions, dinner and entertainment. The proceeds from the Gala provide essential scholarship and financial aid funds, enrich academic programs and purchase learning resources.

Since the Gala accounts for nearly 50% of our annual fundraising, any contribution to ACE will be greatly appreciated! Your generosity will enable ACE to help young men and women experience a bright, productive future. To participate in this exciting event, simply return the enclosed **Auction Donation Form** and your gift by **March 12, 2012**. In appreciation of your contribution, we will highlight your business during the event and include you in all printed event materials.

On behalf of ACE students, families, board members and staff, thank you for investing your time and dollars in supporting our efforts to provide a unique learning experience to the students of Achievers' Center for Education. For more information about the school, visit [www.AchieversCenterForEducation.org](http://www.AchieversCenterForEducation.org).

Sincerely,

Craig Wilder  
President  
Board of Directors

In the spirit of Christian unity and the love that Christ shows for all humankind, Achievers' Center for Education (ACE) does not discriminate on the basis of race, sex, national origin, or physical or cognitive disability. However, does reserve the right to use appropriate selection criteria in fulfillment of its mission, stated goals, and objectives.
