MISSION

ACE will educate a diverse group of 5th - 12th grade students with learning challenges who, together with Christ, will learn to live effectively in God's world.

Dear Friend of ACE,

Since its inception in 2003, the Achievers' Center for Education (ACE) has rapidly built an outstanding reputation throughout San Antonio as an alternative educational program for students 5th through 12th grades with learning challenges. ACE provides an educational program that is designed to address the unique needs and abilities of students instead of using a "one size fits all" approach to learning. ACE has earned full accreditation from the International Christian Accrediting Agency and AdvanceED and has begun a unique vocational program.

We invite you to become part of our exciting school by becoming a sponsor of our annual *Denim, Diamonds & Daffodils Gala*, being held on **April 12, 2012**, at University UMC on North Campus. The proceeds from the Gala provide essential scholarship and financial aid funds, enrich academic programs and purchase learning resources.

Your sponsorship will enable Achievers' Center for Education to continue to serve the needs of students now and those to come. Your generosity will enable ACE to help young men and women experience a bright, productive future. To become a part of this exciting endeavor, simply complete the enclosed **Sponsorship Form by March 12, 2012. If the form and payment are received by January 27, 2012, then your sponsorship will be included on the invitation.**

On behalf of ACE students, families, board members and staff, thank you for investing your time and dollars in our school. For more information about ACE, visit www.AchieversCenterForEducation.org.

Sincerely,

Craig Wilder
ACE Board President

In the spirit of Christian unity and the love that Christ shows for all humankind, Achievers' Center for Education (ACE) does not discriminate on the basis of race, sex, national origin, or physical or cognitive disability. However, does reserve the right to use appropriate selection criteria in fulfillment of its mission, stated goals, and objectives.

DENIM AND DIAMONDS
